OBJECTIVE

To join an organization that would make use of my technical skills and learnings in computer science so that both the organization and myself can mutually grow

EDUCATION

2017 DE LA SALLE UNIVERSITY - MANILA
Bachelor of Science degree in Computer Science, Major in Software Engineering, Dean's List: 2nd Term, AY 2017-2018;

2013 DE LA SALLE SANTIAGO ZOBEL HIGH SCHOOL
High School Diploma, March 2017.

CO-CURRICULAR ACTIVITIES

2019-Current VICE PRESIDENT FOR THE RESEARCH AND DEVELOPMENT COMMITTEE, LA SALLE COMPUTER SOCIETY (LSCS)
Headed several workshops and design sprints; oversaw and managed all the software projects involved with the organization; became a lead developer for numerous projects; introduced external opportunities for the committee.

2017-Current COHORT MEMBER, Center for Complexity and Emerging Technologies (COMET)
Research Assistant for a thesis about learning and visualizing how to make a linear regression model; participated in workshops regarding python, data science and web development; led a workshop on git and GitHub

PERSONAL BACKGROUND

Fluent in English and Filipino. Cisco Certified Network Associate: Routing and Switching (2017 - 2020). Proficient in using Microsoft Office programs, Node.js, HTML, CSS, JavaScript, Java and C. Knowledgeable in React.js, Python and MySQL. Adaptable, eager to learn and persistent.
